on prescription drug abuse prevention**

Tuesday, September 21, 8:30am-12pm

Registration/check-in begins at 8:00am

CESA #4
923 East Garland Street
West Salem, WI

This **FREE** training is open to anyone interested in learning how to reach out to the community and youth about prescription drug abuse.

Space is limited! Register by Wednesday, September 15!

To Register: Contact Donna Elsen at 608-786-4854 or
delsen@cesa4.12.wi.us.

Or register online at www.cesa4.k12.wi.us

Good Drugs Gone Bad contains all the materials and presentations needed to effectively combat the growing problem of pharmaceutical and OTC drug abuse and the crimes associated with pharmaceuticals.

Participants will receive a Good Drugs Gone Bad CD/DVD toolkit, an overview and training on the contents of the toolkit, and a folder with supplemental materials.

This kit was made possible through the efforts of:
